BRAND NEW! With Online School beginning this Fall, Issaquah Parks & Recreation is very excited to announce our full-day online schooling program called **Schoolhouse Rec!**

**Schoolhouse Rec!**

Grades K – 5  
Monday - Friday (Starting Sept. 8)  
9:00 AM – 4:00 PM (extended care will be available)  
Issaquah Community Center  
$60/day; $50/day for Residents  
Extended Care: 7:00 – 9:00 AM and 4:00 – 6:00 PM will be offered for an additional cost upon need.

**General Details:**  
Schoolhouse Rec! staff will assist your kids through their online school schedule while also providing energetic and engaging activities throughout the school day. Schoolhouse Rec! is available for students in grades K-5 and children will be assigned to a classroom cohort based on their grade. Each cohort will have a dedicated classroom and staff team to help ensure a healthy learning environment. The school day and program calendar will follow the Issaquah School District plan.

Students will need to provide their own laptop, headphones, laptop case and any other necessary school supplies. We can provide paper, pens and basic office supplies when needed, but encourage students to bring anything else they think they’ll need to be successful. Laptops will not be permitted to stay at the Issaquah Community Center overnight.

Schoolhouse Rec! staff will support students with online learning, homework help, and will provide regular progress reports to parents. While it is our goal to provide a supportive learning environment for each student, Schoolhouse Rec is not responsible for course completion or earned grades.

**Health & Safety:**  
A COVID-19 Health and Safety Plan is in place to keep both students and staff safe. CDC Guidelines for handwashing, physical distancing, and disinfecting will be strictly followed. Students and staff will be required to wear masks while inside the Issaquah Community Center and outside when physical distancing isn’t possible. Learning stations will be setup 6ft apart and activities will be planned to maintain physical distancing. Classrooms will hold between 9-14 students based on grade and room capacity. The City of Issaquah policy states that we cannot hold or administer medication. A Participant Information Form is also required.

**Registration and Payment Process:**  
**Online registration is open!** Family-friendly options are available for the duration of Fall quarter! Families may choose the day of the week for a month’s time. For example, if childcare is needed for Monday through Wednesday in September, families will separately enroll for Mondays in September, Tuesdays in September and Wednesdays in September. Note: Total monthly fees will vary depending on number of program days that month.
General Fee: $60/day
Resident Fee: $50/day

Upon registration, September’s program will be paid in full. Families may secure a place for future days and months with a $20 deposit. Monthly balance will automatically be paid one week prior to the start of each month.

Join Schoolhouse Rec! this Fall to help YOU and your child better navigate through the 2020-2021 school year! We are all in this together!
