

ANNUAL SAFETY FAIR

Come on down! Join the Fun! Win Raffles!
All caregivers are welcome.

The main purpose of the safety fair is to provide caregivers up-to-date information and bring awareness at work and at home. Your safety is our number one priority! The education component of the safety fair includes information on fire safety, workplace violence prevention, go green – recycle (Time to Clean out your office), quality compliance, injury prevention, emergency management, VSP, Corvel, infection prevention, and FLU SHOT!!

Thursday, Oct 1st
7 a.m. to 2 p.m.
Conf. Room 3 & 4

- Need your **Flu Shot**? Come and visit the Safety Fair!
- When is the last time you used a **fire extinguisher**? Never? Come try it out!
- Do you know your resources when experienced **workplace violence**? Come learn!
- Want to practice your singing skills and **hand hygiene**? Come on down and play Infection Prevention Jeopardy!
- Test your **Healthcare Quality** Knowledge. Healthcare quality has been described as care that is Safe - Effective - Patient Centered - Timely - Efficient - Equitable.
- Learn more about PWF **Green Team** and how to get involved!
- Time of **clean out** your office- donations, recycling, e-waste. Items to bring are medical equipment, office supplies, chemicals, electronics, furniture, appliances. **You name it, we will take it!**

Have questions or safety concern, please contact PWF Safety Manager

Belthem.Marzano@providence.org and Caregiver Health Rebecca.Sudduth@providence.org

Please encourage your caregivers to participate. It's interactive and informative!
